Which Shall It Be?

Do you intend to continue laboring, burning valuable fuel and destroying high-priced food with that old worn-out cook stove

You know that old stove eats up a lot of fuel each year.

You KNOW you have trouble in getting it to bake just right, in fact, spoil a batch of bread every once in a while—you know it costs considerable for yearly repairs.

Stop and think and figure. Wouldn't it pay you to buy a good range—a range with a reputation?

THE GREAT MAJESTIC
MALLEABLE AND CHARCOAL IRON
RANGE

You make no mistake in buying the GREAT MAJESTIC—it's the range with the REPUTATION. Ask your

neighbors. Then, too, it's made just right, and of the right kind of material—MALLEABLE and CHARCOAL IRON—riveted together practically air tight—lined with pure asbestos—parts being malleable, can't break—has a movable reservoir and an oven that doesn't warp—that's why the MAJESTIC uses so little fuel, bakes just right every day in the year, browns bread just right all over without turning, heats 15 gallons of water while breakfast is cooking, properly handled, lasts a lifetime, and costs practically nothing for repairs.

Don't buy the range you expect to last a lifetime "unsight and unseen"; you'll be sure to be disappointed. Come to our store during demonstration week, see the GREAT MAJESTIC, have its many exclusive features explained, find out why the MAJESTIC is 300 per cent. stronger than other ranges where most ranges are weakest.

Children---Souvenir Day
MONDAY, JUNE 4
Between 3 and 5 P. M.

The first 100 boys and girls who present the MAJESTIC RANGE salesman at our store between 3 and 5 p. m. MONDAY, written answers to the following questions, will receive a

Majestic Souvenir Free

- 1—What range is your mother now using?
- 2—Do you know anyone needing a new range? Who?
- 3—Why should the great MAJESTIC RANGE be in every kitchen?

\$1.00 ARTICLE FREE

The one giving neatest and best answers to the last question may select any \$1.00 article from our stock, in addition to the SOUVENIR.

Don't be discouraged if you are not one of the 100 to get a Majestic Souvenir. You will get a MAJESTIC PUZZLE CARD. Something for all the boys and girls.

Don't fail to get one of these Souvenirs. It's a new and wonderful toy—amuses the old as well as the young. Children, it's great, and will be the talk of town.

Be sure to have your answers ready to hand in at our store MONDAY AFTERNOON between 3 and 5. They must be written answers—OTHERWISE YOU WILL NOT GET A SOUVENIR.

SPECIAL: All during this week a special demonstrator direct from the MAJESTIC factory will be glad to show you ALL ABOUT RANGES—show you why the MAJESTIC is the best range on earth at any price.

Come, If You Intend to Buy
or not

EDUCATION lies in KNOWING THINGS. Know why the oven of a range is heated; know how the water is heated; how the top is heated; why the MAJESTIC uses so little fuel; know how a range is made inside and outside. This education may serve you in the future. DON'T OVERLOOK a chance to KNOW THINGS shown by one who knows. COME.

Don't Overlook the Date. This a Special Invitation to You,
Your Friends and Neighbors.
